C 3 p 144 of 24 5-48

Requests Sanction & Grant to the resolution dated 10-5-48 of the city Municipal Council regarding providing lunch to members during the Council and Committee meeting

It is stated that 55 plates for each Council meeting and dozen plates for each Committee meetings are required

2) The above resolution for orders

3) From the office note received with the President's letter the provision next & proposal to be made for the purpose in the next year's budget is seen to Rs 1,000/- As the Municipality has been unable to find fund for several important items of Municipal works it seems to be a point for consideration whether the Govt is not capable of reduction

Proper

3/6/48

4) There is a special
expense (not obligatory or discretionary)
Moreover, no provision for it in the
Budget Estimates of the City Surveyor
proposed for the first time to make
regular and definite provision for it under
sanction of Govt

5) As regards the merits of the case it
should be stated that there were only 30
members on the M.L.C. and taking the
absentees into consideration including the
Press & the Officers of the City who may
wished to attend the meeting, the maximum no. of
plates at a meeting should not exceed
40 Means absolutely no necessity to
have as many as 57 plates since
almost double the no. of members on the
Council for the Committee meetings
the number of plates may be a dozen

6) Having regard to the financial condition of
the City, & the necessity to minimize
expenditure which is likely to be
misunderstood by the rate payers, the
expense should be kept as low as possible
It may be limited perhaps to Rs 500/- per year
